

**MiVAC AGM 17-9-2022**

**Acting Secretary's Report**

There is very little for me to report on since the last AGM.

The only correspondence has been between ourselves via email and occasional phone calls.

Even since the notices of the AGM have been sent out, we have only 2 apologies for the Meeting so far from Geoff Kidd and Duncan H.

I would like to mention the generosity of Roni Wildeboer from Artists for Orphans for the donation of \$4629-00 to MiVAC. It will be put to good use!

As you all would be, I'm looking forward to work commencing in Vietnam next year.

Thanks everybody.

Lyn
