

Membership Coordinators 2026 AGM Report

From my 2025 AGM Report, the total membership as of **17 October 2025** was 60.

The following is a summary of the Membership status as of 4 August 2026:

- Ordinary Members – 40 of which 23 are “financial”
- Honorary Life Members – 9
- Patrons – 1 (an MP)
- Paid Life Members – Nil
- Corporate and Philanthropic Organisations – Nil
- Friends of MiVAC - 1
- **Total membership – 51**

The total number of members continues to trend downwards with fewer renewing their subscriptions each year. This is not causing any financial difficulties but should be discussed by the Board / Executive Committee at its next meeting.

The following is a summary of the activities undertaken by the Membership Coordinator in FY 2025-26:

- Those Members who had not been financial for the last two years were given one final opportunity to pay their subscriptions. Those who choose not to were removed from the Membership database.
- Processed 3 new membership applications
- Processed the 2025/26 annual membership subscription renewals

The Membership Coordinator has also undertaken several other activities in support of the Chairman:

- Reviewing and commenting on draft policy, procedure, and guideline documents
- Distributed Newsletter and other correspondence to the Membership
